PROSPECTUS.

This institution, conducted by Fathers of the Society of Jesus was founded by them in 1877.

It is intended for Boarders, Half-Boarders and Day Scholars.

Having complied with the provisions of the general law of New Mexico, Twenty-fifth Session, Chapter XL, the College is thereby "empowered to grant diplomas, confer degrees and all other literary honors, usually conferred" by similar institutions of learning in the United States.

Owing to the special requirements of the Territory, the course of studies is mainly commercial, and comprises two Departments.

The first, or Preparatory Department, designed for younger pupils, is merely elementary, affording primary lessons in English and Spanish, Writing, Spelling and Arithmetic. It may last from one to three or more years, according to the age, talent and proficiency of the pupils.

The second, or Higher Department, is intended to impart to students a thorough commercial education, both in English and Spanish. It embraces Grammar, History of the United States, Geography, Arithmetic, Book-keeping; Rhetoric, Modern and Ancient History, Algebra, Geometry and Elements of Physics and Chemistry.

Pupils passing a satisfactory examination in the above matters, receive a Certificate of fitness for commercial pursuits; and after spending two additional years at the College in the further study of Physics and Chemistry, of Geology, Mineralogy, Higher Mathematics, Astronomy, Logic, Metaphysics and Ethics, they receive the degree of Bachelor of Science.

The Philosopical Cabinet and the Chemical Laboratory contain a complete set of the Apparatus necessary for prosecuting studies in Physics and Chemistry, and they are constantly receiving additions.

The study of the Classics is now optional and forms no extra charge. But it is the desire and aim of the Directors gradually to develop the present "Classical Department" into one general system of instruction.

Experience proves that a solid classical training, joined to thorough instruction in all Mathematical branches will produce incomparably better results than any exclusively commercial drill.

Even in ordinary mercantile pursuits the man who succeeds best will not be he whose education is limited to reading, writing and ciphering.

The details of business life can be mastered only by practice: and this once done, the most successful business man will be he whose mental powers are most fully and harmoniously developed. And such development cannot be had except by a classical education.

Lessons in Drawing and in Music, either vocal or instrumental—on the Piano, Organ, Violin, Guitar, or Brass Instruments—will be given to those desiring them, and will form extra charges.

The formation of heart, as well as of mind, being of paramount importance in the education of youth, the Directors will bestow the utmost care on the moral and religious culture of students committed to their charge.

Still, though the College is conducted on Catholic principles, no undue influence will be brought to bear on non-Catholic pupils to induce a change of religious belief.

The cultivation of refined manners and of healthy exercises for the body cannot be disregarded in a thorough system of education. For the attainment of these ends, the gentlemanly behavior of the students receives the utmost attention; extensive play grounds and a thoroughly furnished gymnasium are attached to the premises; the Chapel, dormitory, dining room, study hall and class rooms are elegantly fitted up and supplied with the finest and neatest furniture, thus making the very material surroundings of the students aid them to acquire those habits of self-respect and gentlemanliness that are to fit them for good society.

Nothing finally is omitted to make the institution worthy of the favor of all who wish to impart to their children a thorough and sound Christian education.

General Regulations.

No new pupil above 15 years will be admitted as a Boarder.

The scholastic year opens early in September and closes towards the end of June.

Parents and guardians cannot be too earnestly recommended to send their sons or wards to the College at the very opening of the session. Any delay is generally the cause of considerable inconvenience and tends to retard the progress of the pupils at a time most favorable for application to study. Yet pupils may be admitted at any time during the year, the charges for Board and Tuition being due from the date of their entry.

Any candidate for admission must be accompanied by his parents or guardians. He is then examined by the Prefect of Schools and placed in the class for which his previous attainments have fitted him.

During the session, a student may by promoted at any time he is found qualified to enter a higher class, and such promotion is deemed equivalent to all the honors of the lower grade.

It is expected of all Catholic students that they will approach the Sacraments at least once every month, and attend Divine Service and religious instruction in the College chapel whenever they are required to do so. Uniformity of discipline demands also of non-Catholic Boarders that they should be present and behave properly at all the public exercises of religion.

To avoid all objectionable communication between the Boarders and outsiders, the College Authorities reserve to themselves the discretionary power of inspecting all letters, books, newspapers, etc., either directed to the pupils or sent by them. Moreover, books which have no direct bearing on the pupil's studies are not to be brought to the College without the express permission of the Prefect of Studies.

Besides a few days of semi-annual recess at Christmas and Easter, the following are also ordinary holidays:—All the holy-days of obligation—Every Thursday, except when the Wednesday before is also a holiday—The feasts of St. Joseph, St. Aloysius and the Sacred Heart — Thanksgiving Day — Washington's Birthday —Decoration Day.

Boarders, whose parents or legal guardians reside in town, will be allowed to spend a day at home once every month, generally on the

first Thursday. But they should always return to the College before 5 P. M. during the winter season, and before 7 P. M. during the summer season. On no other occasion will they be permitted to go out of the College without very urgent reasons.

Half-Boarders study, dine and recreate with the Boarders. They should come to the College even on Sundays and all ordinary holidays, and are dismissed towards the evening.

To promote the advancement and good behavior of the students, merit notes are read out to them every week in their respective classrooms by the Prefect of Schools; and a Bulletin of their standing in the College is announced once every month in the presence of the Faculty and students, on which occasion testimonials of good conduct, application and proficiency are bestowed upon the most deserving. Parents are requested to exact the Bulletin from their sons at the beginning of each month.

At the close of each term, examinations will be held in all the classes, and their result published in the College Catalogue at the end of the session. Pupils unlawfully absent from such examinations, or entirely unsuccessful, are subject to dismissal from School.

Motives of Religion and self-respect being habitually appealed to, no need has been experienced of frequent or severe punishment.

Flagrant offences, such as are detrimental to the reputation of the College, or are obstructive to the good of other pupils, are grounds for expulsion.

For faults of ordinary occurrence,—such as tardy arrival, failure in recitations, or minor instances of misconduct,—detention after school, some lines to be copied or committed to memory, privation of monthly vacation for Boarders, and low weekly marks, are usually found sufficient penalty.

The efforts of Teachers and Prefects will be much facilitated if the co-operation of parents can be secured.

Parents are, therefore, earnestly requested to insist upon the regular and punctual attendance of their children at school; to notify the Directors in case of detention or withdrawal; to exact regularly the monthly Bulletin; to attend to such notifications as may be sent by the Directors to inform them of unexplained absence, bad lessons, or unsatisfactory deportment; and not to detain the pupils from school without grave reasons.

PROSPECTO.

El Colegio de Las Vegas, dirigido por Padres de la Compañía de Jesus, fué fundado por ellos en 1877.

Se reciben internos, externos y medio-internos.

Habiendo cumplido con la ley general de Nuevo México, Sesion Vigésima-quinta, Capítulo XL, el Colegio queda por ella "autorizado á conceder diplomas, conferir grados y todos los demás honores literarios generalmente conferidos" por otras instituciones de enseñanza de la misma clase en los Estados Unidos.

El plan de estudios se divide en dos Cursos, Elemental y Académico.

El Curso elemental está destinado á la enseñanza de los primeros elementos del Inglés y del Castellano, de la Aritmética, Ortografía y Caligrafía. Comprende dos Clases, la Preparatoria y la Introductoria; y puede durar dos ó más años segun la edad, el talento y el aprovechamiento de los alumnos.

El Curso Académico es Comercial ó bien de Latinidad y Griego, segun la carrera á que se dedique el alumno.

El primero dura cinco años: tres de Gramática, uno de Humanidades y uno de Retórica. Durante los tres primeros años, además de la Gramática, se estudia por grados un curso completo de Aritmética práctica, Historia de los Estados Unidos, Geografía y Teneduría de Libros; los años de Humanidades y Retórica abrazan además Historia Moderna y Antigua, Matemáticas (Algebra y Geometría) y los Principios de Física y Química.

Los alumnos que sustentaren un exámen satisfactorio en esas asignaturas, recibirán un Certificado de aptitud para la carrera comercial; y dedicando dos años más en el Colegio al estudio ulterior de la Física y Química, de la Geología, Mineralogía, Matemáticas Superiores, Astronomía, Lógica, Metafísica y Etica, recibirán el grado de Bachiller en Ciencias.

El Curso de Latinidad y Griego añade al estudio de los autores de la antigüedad, todas las asignaturas del Curso Comercial, excepto la Teneduría de Libros, y en algunos casos tambien esta. Comprende además la Historia de la Literatura inglesa y española, Trigonometría y Logaritmos. Dura siete años, el último de los cuales se dedica á la Lógica Metafísica y Etica, Geometría Analítica y Tratado completo de Física y Química.

Sirve este Curso para disponer el alumno á abrazar y seguir con feliz éxito cualquiera profesion. Pára la misma carrera mercantil, es lo natural que en igualdad de circunstancias, salga mejor negociante el jóven cuyas facultades intelectuales han tenido mejor desarrollo; y para esto, nada contribuye tanto como el antiguo sistema de enseñanza trazado por los más ilustres sabios de la antigüedad.

Nadie puede entrar en el Curso Académico, ya Comercial ya de Latinidad, sin estar suficientemente instruido en el idioma inglés. Por lo tanto los jóvenes que no conocieren este idioma, deberán ante todo aplicarse al estudio del mismo, cualquiera que fuere su grado de instruccion en otras materias.

A peticion de las familias y á su cuenta, los alumnos podrán aprender tambien Francés, Aleman, Dibujo y Música, ya vocal ya instrumental, siempre que no se viere ser en perjuicio de los estudios principales.

Siendo la formacion del corazon no menos necesaria que la de la inteligencia para la sana educacion de la juventud, los Directores se dedican con el mayor esmero á la cultura moral y religiosa de sus alumnos.

Una completa educacion debe extenderse tambien á formar en los jóvenes los modales propios de la sociedad culta, ni debe descuidar la higiene. Para lograr este doble objeto, el Colegio pone especial cuidado en la urbanidad de los alumnos; y tiene grandes plazas de recreo y un gimnasio con todos los aparatos necesarios. Además la capilla, el dormitorio, estudio, clases y comedor están compuestos y amueblados de tal manera que todo cuanto rodea á los alumnos pueda inculcarles prácticamente el órden, aseo, limpieza y decoro que fomentan tanto la urbanidad como la higiene.

Nada al fin se omite para que esta institucion sea digna del favor de cuantos desean dar á sus hijos una sólida y esmerada educacion cristiana.

Reglamento General.

Para la primera admision, el alumno debe haber cumplido los ocho años, pero no ser mayor de *quince*.

El año escolar empieza á principios de Setiembre y concluye á fines de Junio. El Colegio hará conocer cada año el dia exacto de la entrada y salida.

Aunque se reciban alumnos en cualquier época del año, empezando á correr su pension desde el dia de la entrada, sin embargo se suplica muy encarecidamente á los padres y tutores que envíen á sus hijos desde la apertura de los cursos. Toda dilacion causa por lo general graves inconvenientes, y es un obstáculo para el aprovechamiento de los alumnos en el tiempo más favorable para aplicarse sériamente al estudio.

Todos, al ingresar en el Colegio, deben ser acompañados por sus padres ú otra persona responsable, y sujetarse á un exámen para ser incorporados en el curso que corresponda al grado de instruccion que manifiesten.

Durante el curso puede un alumno ser promovido á una clase superior siempre que se le hallare capaz de ello; y tal promocion equivale á conseguir todos los honores de la clase inferior.

Todos los alumnos católicos deben recibir los Santos Sacramentos al menos una vez al mes, y asistir á la Misa é instruccion religiosa en la Capilla del Colegio siempre que les fuere indicado.

A fin de evitar toda comunicacion perjudicial entre los alumnos internos y las personas de fuera, los Superiores se reservan el derecho de examinar, segun lo pidiere la discrecion, todas las cartas, libros, papeles, etc., dirigidos á los alumnos ó enviados por ellos.

Asimismo, fuera de los libros destinadas á las clases, nadie podrá tener ni hacer uso de otro ninguno sin expreso permiso del Prefecto de los Estudios

Además de pocos dias de asueto, concedidos por las Pascuas de Navidad y de Resurreccion, son asimismo dias de fiesta ordinarios: 1. Todos los de precepto; 2. los Jueves, menos cuando cayere otra fiesta en Miércoles; 3. los dias de San José, del Sagrado Corazon de Jesus y de San Luís de Gonzaga; 4. Las fiestas nacionales de Accion de Gracias, Natalicio de Washington, y Decoracion de las tumbas.

Los alumnos internos, cuyos padres ó tutores no viven lejos, podrán pasar un dia en su compañía una vez al mes, que será de ordinario el primer Jueves. Pero deberán regresar al Colegio antes de las 5 de la tarde en el invierno, y antes de las 7 en el verano. En ninguna otra ocasion se les permitirá salir, ni solos ni con sus familias, sin motivos de verdadera urgencia.

Los medio-internos estudian, comen y pasan los recreos con los internos. Deben venir al Colegio tambien los Domingos y otras fiestas ordinarias.

Para alentar á los alumnos en sus estudios, el Prefecto del Colegio visitará cada semana todas las escuelas, y en ellas dará lectura de las calificaciones merecidas por cada alumno durante la semana. Hará lo mismo con los alumnos internos para promover su aplicacion y buen comportamiento interior. Además, todos los meses, reunidos los Directores y alumnos en la sala del Colegio, se publicará el resultado mensual de las calificaciones semanales, en un Boletin el cual será enviado despues á las familias; y los alumnos que se hubieren señalado entre sus iguales durante ocho semanas, recibirán un certificado honorífico de manos del Presidente del Colegio.

Dos veces al año habrá exámenes en todas las escuelas; cuyo éxito será impreso en el Catálogo del Colegio al fin del curso escolar. Los alumnos que se eximieren de dichos exámenes sin justos motivos, ó no dieren en ellos la debida satisfaccion, podrán no ser recibidos de nuevo en el Colegio.

La Religion, el honor, el bien de los alumnos y de sus familias siendo así el móvil principal del Colegio, no se necesitan castigos graves ni frecuentes. Las faltas más ordinarias se castigan rebajando las calificaciones semanales, imponiendo á los alumnos algun ejercicio extraordinario de memoria ó escritura, privándoles de una parte del recreo, ó de la salida del primer jueves si son internos. Pero las faltas graves, como insubordinacion obstinada, inmoralidad, ó las que de cualquier modo pudieren perjudicar al honor del Colegio, ó al bien de los demás alumnos, son motivos suficientes de expulsion, aun sin previo aviso á las familias en caso de urgencia.

Finalmente, para la observancia de este *Reglamento General* y de las demás disposiciones particulares del Colegio, los Directores solicitan la buena inteligencia y cooperacion de las familias, sin la cual no podrian corresponder enteramente á la confianza que ellas les demuestran al entregarles la educacion de sus hijos.
